<https://netacad.cvent.com/PCATT2019>

**Learn from the experiences of:**

**Sinclair CC, Bunker Hill CC,**  
**Normandale CC & Johnson City CC**

Joyce Malyn-Smith, Distinguished Scholar, EDC  
Joseph Ippolito, Sr. Project Director, EDC

**Essential Questions:**

- Who are data workers and what are they expected to do?
- How can we assess skills data workers are expected to perform?
- How can faculty work with employers to determine the extent to which their school's data program address employer's skill demands?
- What key elements should drive my program design?
- What actions do I need to take now?
